Frequently asked questions

What happens next?

Upon receipt of the fax, we will contact our local specialist physicians who will review the patient and provide a script appropriately.

Who calls the patient?

A staff member will contact the patient to arrange a time to present at the hospital.

What does it cost?

Insured patients are covered by their health fund, upon payment of any excess they have.

I don't have private health insurance, what should I do?

We offer competitive pricing for patients wishing to self-fund their treatment. Call 03 8341 3430 for more information.

How long does it take?

Total time in hospital is approximately one hour.

Can I bring someone with me?

Yes, we welcome one support person; however we do not recommend bringing young children into a clinical environment if you are their carer.
